## Key Concepts of Dying Healed

- ✚ The power of human presence is a vital part of the human experience of suffering.
- ✚ Suffering can become overly burdensome and feel meaningless without the presence and true accompaniment that others provide.
- ✚ Human presence conveys human dignity. This is a uniquely human and transcendent reality.
- ✚ Follows Catholic Ethics.

## Dying Healed: What is it?

- ✦ We cannot heal everyone physically, but we can help to heal emotionally and spiritually.
- ✦ We can educate lay people to be confident in their presence at the bedside of a lonely or dying person.
- ✦ Dying for lack of love should never happen.

## Dying Healed: What it is NOT?

- ✦ DH does not replace any other volunteer program.
- ✦ DH is not training professional counsellors, advisors, mediators.
- ✦ DH does not replace medical advice.
- ✦ DH does not train people to be confrontational or to proselytize.
- ✦ DH is not a pre-training volunteer recruitment program.

## Program Structure

- ✦ DH is an 8 hour program that is usually offered in two 4-hour sessions or four 2- hour sessions.
- ✦ Cost: \$25.00 per participant. Cost includes workbook, food and facilities.
- ✦ Workshop includes lecture, discussion and videos.
- ✦ 10-15 participants
